Measure, Appointment or
Topic: SB769

This is a cruel bill: First, it creates hunters out of innocent dogs who will be hard to get a forever home after they have been used for this purpose: Second, it imposes your will on nature. It's okay to manage nature for the good of all, but there are other ways. The citizens of Oregon have rejected this practice. This bill will cause voters to continue to lose faith in their elected officials.

Please oppose this bill. It is immoral and opposed by the majority of voters.
