

Submitter: LESLEY COLBERG
On Behalf Of: All cougars in Oregon
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

With wildlife all over the globe in peril and such issues just getting worse, let's do the right thing and not allow the cougars to be hunted by dogs, guns or any other means. It's not their fault that their habitat is being encroached upon by humans, and they were here long before people came along. Thanks for listening and also for not passing this bill.
