Measure, Appointment or Topic: SB916

My name is Barbora Buzinskaite and I'm a member of ODE Local #581 union. I support SB 916 which would repeal the law blocking unemployment benefits to workers on strike. This bill would help ensure that workers are able to stay afloat while fighting for a fair contract. Without this repeal, workers cannot exercise their union rights because of financial restrictions. This eventually leads to weaker contracts and more benefits for the employer rather than the employee.
