

Submitter: Michael Randall
On Behalf Of: Wildlife
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

This needs to stop. Murdering defenseless animals is beyond wrong. There are far too many morons on two legs screwing up the planet right now but there are not enough animals in the wild.

I am ready to defend them.
I can fight back.

Maybe do the right thing for once.

Consider the bed you are currently constructing.
It sucks ass! Yep, take that verbatim.
