Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

I am wiring in opposition to SB 769. For so many years those of us interested in protecting our wildlife have fought off measures to weaken cougar protections. Our many voices have been loud and clear over and over again. Cougar protections should be upheld. The will of the majority of Oregonians should be upheld.

We must stand strong to protect our cherished wildlife. We do not want cougars hunted with dogs, or hunted at all.

Please vote against this bill. Please do the right thing for our wildlife.

Andrea
