

Submitter: Lynn Sussman

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

To Whom It May Concern:

I'm against overriding the will of the voters who have repeatedly rejected this cruel practice. This measure would create a chaotic patchwork approach to wildlife management and law enforcement. It's highly disappointing that this cruel practice is once again being considered. Let's put it to bed forever, honor the will of the voters and respect the cougars who share our lands.

Thank you,

Lynn Sussman
