On Behalf Of: Traditional Archers of Oregon
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

We here at the Traditional Archers of Oregon (TAO) are in support of Senate Bill 769. The fact that is ODF&W is still in control of quotas, oversight, and wildlife management is key to this bill. TAO members have seen the impact of cougar populations in rural areas around wildlife, livestock, and even in town. This bill will allow those communities to work with ODF&W to scientifically manage this predator population. Please approve Senate Bill 769.
