

Submitter: Shelly Paredes
On Behalf Of: SB 769
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

We oppose SB 769 because hunting cougars with dogs is cruel to both cougars and canines. This abhorrent practice should not be permitted in any county and allowing for individual counties to adopt such practices does not ensure that each county will present scientific and expert evidence to inform the public in their opinions.
