Measure, Appointment or
Topic: SB769

I am an Oregonian in a rural county and I strongly urge you to oppose SB 769. This bill would overturn the will of the voters. We have already shown where we stand on this issue—twice. A majority of Oregonians are opposed to the hunting of cougars with hounds and want to keep their protections in place. We know that cougars are a critical part of our ecosystem - even if they wander into the suburbs once in awhile. We share their habitat.
