On Behalf Of: SB 916
Committee: Senate Committee On Labor and Business
Measure, Appointment or Topic: SB916

We all know people who already misuse our unemployment system it makes no sense to give my money to people who choose not to work. How about you put your tme and effort into finding a new way to deal with people who don't think they're being paid enough. Going on strike is a loose loose situation need to find a way to make it win win, in many minds thats what we elected YOU to do. If you vote yes for SB 916 you're a dud.
