

Submitter: Virginia Kilkelly
On Behalf Of:
Committee: Senate Committee On Labor and Business
Measure, Appointment or Topic: SB916

Hi, my name is Virginia Kilkelly and I'm a member of the IATSE union. I support SB916 which would repeal the law blocking striking workers from receiving unemployment benefits. This bill would ensure that workers can stay afloat while fighting for a fair contract.

Strikes are always a measure of absolute last resort. Please ensure that workers like me are not forced into an unsafe or unfair contract, simply because we can't afford to exercise our legally protected right to strike.

Please vote yes on SB 916
Thank you
