

Submitter: Kevin Hawkins

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

I strongly support SB 769. The majority of Oregon's voters are completely out of touch with rural Oregon counties. This voting majority has never visited, seen, and does not understand the impacts wolves have on Eastern Oregon.

Each county's residents should be the people making decisions on the predator management that impacts their communities and ways of life.
