

Submitter: Ken Dalke

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

I am opposed to SB 916 as unemployment funds should not be used to pay striking workers who are not working. This will deplete the funds for people when they are unemployed. This may also encourage employees to strike because they would be getting paid to not work only because of bargaining disagreements, which eventually an agreement will be made. There should be no reason to pay unemployment insurance benefits to people simply because of a strike.
