

Submitter: Nancy Olsson  
On Behalf Of: SB 916  
Committee: Senate Committee On Labor and Business  
Measure, Appointment or Topic: SB916

Dear Oregon

I have already removed my business from Oregon due to to expensive policies that you have created. Stop SB 916 to save businesses that are still operating.

I'm still a resident of Oregon and I care about my family, friends and local businesses that are trying to make Oregon livable

Thank you

Nancy Olsson
