

Submitter: Shelby Staffenson

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

Unemployment insurance is designed to support those who involuntarily lose their job. If we allow those who choose to strike to collect unemployment, we're just making it so much harder for businesses to survive. This bill will increase unemployment insurance rates and further put a strain on our businesses. Please do not pass this bill. It is very bad for Oregon.
