Topic: SB769

I oppose SB 769 which would overturn the will of Oregon Citizens who have already spoken about their opposition to allowing hunting for cougars with hounds. Citizens have already stated that they want our state to continue to protect cougars.

We are fortunate to have these amazing creatures in Oregon. They are living beings and have a right to live and raise their families as human beings do. It is cruel and inhumane to hunt them because they are just trying to live.
