Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

As a resident of Harney County, I fully support the opportunity for each county to decide on cougar hunting with dogs. I have watched deer numbers fall, hunting each year in the Silvies unit. Hiking on private and public ground just outside of city limits I have crossed fresh cougar tracks. I have found fresh cougar kill of deer. These areas are around a mile from our schools. We need the opportunity to choose how we manage predators, especially at the county level.
