On Behalf Of: Mr Oregon OPPOSES HB 2232
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB2232

I OPPOSE [HB 2232].

The enforcement of decibel levels is not adequately addressed.

Without serious law enforcement, the "bad actors" will continue to destroy the peace and quiet the Beeches and surrounding areas are supposed to enjoy.

The State Parks and Recreation Department does not have a 24-hour adequate law enforcement capability.

Noise Abatement may require "impounding vehicles" and "imposition of serious fines" to punish and deter the bad conduct in order to restore the peace and quiet as well as to ensure the public's safety.

[HB 2232] is a "Milk-toast" approach.

[HB 2232] will not solve the noise and or safety issues.

David S. Wall

Mr. Oregon Concurs and says, "The State Parks and Recreation Department is not equipped to deal with the criminal element to restore peace and quiet."
