

Submitter: Brady Murphy

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

I have been a resident of Oregon my whole life. Before and after the stopping of hound hunting. I have watched our mule deer numbers drop drastically because of how many predators they have to encounter. Please leave this to the counties that need this style of hunting to balance deer to predators. I would love to see deer and elk flourishing again here. Thank you for your time

Brady
