

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 2692
Committee: House Committee On Rules
Measure, Appointment or Topic: HB2692

I OPPOSE [HB 2692].

Frankly, [HB 2692] as written, is burdensome and oppressive.

I do not approve of the "Mandatory Advisory Committee" and resulting nebulous responsibilities.

Taken from the TEXT of [HB 2692], "...the agency may appoint an advisory committee or use any other means of obtaining public views that will assist the agency in drafting the rule." The aforementioned can be used to conduct "Polling studies" of people (who knows if these are citizens or Illegal Aliens waiting for I.C.E. to pay them a visit) to make recommendations to adopt a "Rule."

[As to The Advisory Committee Membership]: from the TEXT of [HB 2692], "... and must include at least as many members who are representatives of regulated entities of the agency as there are members who are not representatives of regulated entities."

The "Fiscal Advisory Committee" creation is below:

Taken from the TEXT of [HB 2692], "...the agency shall appoint a fiscal impact advisory committee to provide recommendations on whether the rule will have a fiscal impact and what the extent of that impact will be. The membership of the fiscal impact advisory committee must represent the interests of persons and communities likely to be affected by the rule."

The Small Business Rules Advisory Committee creation is below:

Taken from the TEXT of [HB 2692], "... (6) An agency may appoint the Small Business Rules Advisory Committee established in ORS 183.407 as the advisory committee or fiscal impact advisory committee for purposes of this section."

Taken from the TEXT of [HB 2692 (SECTION 2)], "... (F) A statement identifying how adoption of the rule will affect racial equity in this state;"

**"RACIAL EQUITY?" How about treating everyone as equals under the Law. [Review the 14th Amendment of the Constitution of the U.S.A.]The "Racial Equity Statement" will inculcate and codify "Systemic Racism" into Oregon Law. Eliminate

Diversity, Equity and Inclusion (DEI).

I have read enough of this tripe.

[HB 2692] requires more work than the [-1 Amendment] corrects.
