Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB848

I OPPOSE [SB 848].

[SB 848] is not needed.

Impound the DUII driver's vehicles at [\$100.00 per day] for six months or more.

Throw the indigent DUII offenders in Jail for (2) years or more.

Do not even try to divert these criminals into namby-pamby drug and alcohol treatment programs, run by the Oregon Health Authority and or by the aforementioned contracted Non-profits and or Public Benefit Corporations.

Drug and alcohol programs can be run during the offending DUII driver's time in Jail.

Make people afraid to engage in DUII driving.
