

Submitter: Daniel Brown

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB916

RE: Support for SB 916

To the Senate Committee On Labor and Business,

I support this because if they're gonna continue to go on strike because Providence will not even negotiate with the nurses, they need to have some kind of assistance for the loss of work that they're experiencing.

-Daniel Brown
