

Submitter: Dick Armstrong

On Behalf Of:

Committee: Senate Committee On Veterans, Emergency
Management, Federal and World Affairs

Measure, Appointment or Topic: SB947

To the members of this committee, you are public servants that took an oath to uphold the US and state of Oregon's Constitutions, not subvert them. I insist that you cease and desist with your unlawful acts, ASAP.

You on the left have done nothing to move this state forward in a positive and productive manner. You only try to destroy this state for some unknown reason. For instance, letting criminals run amok, protecting illegal invaders, letting the homeless get all kinds of freebies, our failing school system, and a plethora of other things too numerous to put in this testimony.

Maybe if you would do your dang job the correct way, people might have a little more faith and trust in the government. You on the left are the true anti-democracy clan. You are about nothing but control. You are the public servants, not we the people. And those of you that can't abide by your oath of office, NEED TO RESIGN NOW.....

One disappointed citizen in our state of Oregon's government,

Dick Armstrong
