RE: House Bill 2738

Dear Oregon State Legislators,

I am 33-year resident of the Kenton neighborhood in North Portland. I am writing today to ask for your support for moving forward with House Bill 2738 to fully ban the use of leaded gasoline fuel at the nearby Portland International Raceway, PIR.

This future ban would greatly improve the health of our neighborhood residents, especially young children and the elderly, like me, who are most vulnerable to the lead gasoline effect.

Thank you for considering my request,

Sincerely,

Angela Moos
