

Submitter: Laurel Hines

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB3062

Please support this bill, and support more careful planning to avoid putting neighborhoods in danger. We should not have to put some people in danger to create jobs. Very careful planning is needed for industrial facilities, especially those anywhere near residential neighborhoods, schools and hospitals. Current rules are not careful enough.
