On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB3062

My name is Milton and I am from the Parkrose High School community. And some you should know about my community is that it's a clean area. I am taking an activism class where we have been learning about protesting and letting the world hear our voice. I think speaking out about the issues affecting my community is important because Parkrose doesn't have the same resources to thrive Like other communities.

Please support HB3062 because we as the community deserve clean fresh air.
