Measure, Appointment or  
Topic: SB427

Please support this bill. I moved to Oregon in 1990 because I was dazzled by the natural beauty. Over the years I have loved fishing, hiking, camping and rafting on the rivers and streams, not to mention my delight in the adjacent lands. These resources belong to all Oregonians, now and for generations to come. Please ardently support this bill. You are our voice.

Thanks for all you do on our behalf.
