Measure, Appointment or Topic: HB3179

It's incredibly important that the Oregon Legislature passes HB 3179 in the name of fairness & justice for ALL Oregonians. Utility rates have been rising at an alarming rate—even for Oregonians of means & this has been devastating for lower-income people & families. WHY are they rising like this? You badly need to investigate this because so many corporations have been using inflation as an excuse to price gouge like crazy.
