

Submitter: Adaline McCormick

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB2995

Reparations are long past due for all Black Americans. Oregon can be a leader in the country by establishing this task force and showing the work that can and should be done. I personally would happily agree to a tax increase if it meant that reparations are paid to those who deserve them. Or better yet, take the funding away from the police and put it into programs such as this, that would effectively create positive change for our cities and our neighbors.
