On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2977

I urge you to support HB 2977 to fund wildlife habitat. Birders for instance travel miles and miles to see wild birds and other wild animals all over the globe. Why not support that enthusiasm for wildlife here at home and provide wildlife habitat here in Oregon. Our children and their parents and their neighbors can then learn about wildlife and learn to appreciate it and the value of good forest and wetland habitats. Please vote to approve.
