This is just beyond belief. Our city has a shortage of police, fire, ambulance. Wait times for 911 can take up to 30 minutes and you think that reparations are what's needed? You are failing the city and its people and just like Covid you are focusing On the wrong things. There is a reason the left keeps loosing elections and this is why. Eggs cost \$9 in Oregon and you want to pass a bill for reparations???? Nobody thinks this is a good idea.
