I am writing in support of HB 3435 as I have seen how free meals for all students have helped Tigard-Tualatin School district students receive two complete meals a day without the stigma of being on free or reduced lunch or without the anxiety of maybe not having funds in their account for their meals. School staff experience lunchtime as a smooth system as students go through the line to receive meals without delay.

Busy parents and guardians have responded with gratitude as the free meals eliminate the stress and hectic need to make meals each day.
