

Submitter: Sarah Andrews

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB3644

I do not feel that there is sufficient evidence in the language of this bill where we get to understand where this tax money is going and how it's being spent and who is spending it and who is getting it. Well, I support helping the homeless. We need more accountability with the people that are helping and doing the work and handling these funds. I'm a single mother and I'm getting taxed to death. We need more transparency.
