Measure, Appointment or Topic: HB2138

Don't put historic structures at risk with one unfortunate section of HB 2138

Please remove Section 22(1)(f) from this bill.

The intent of HB 2138 is to create more housing in Oregon, which I support. As written, middle or affordable housing is NOT required as a condition for removing a demolition review process.

Providing housing should not jeopardize potentially historic structures!

Let's protect important historic structures -- and re-use and/or re-purpose them, not have them face demolition!
