

Submitter: Mike Brinkley

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I strongly oppose HB3103. This is another desperate attempt by timber companies to halt implementation of the State Forest Habitat Conservation Plan that was won by negotiators. This bill proposes to prioritize logging above all other values and would result in timber companies to sue for more clearcutting. Safeguard the HCP and out public forests for our children and future generations. Do my let this bill out of committee.
