

Submitter: Craig Zarling

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I write to oppose HB3103. Oregon should not prioritize timber cutting above other values. We should strike a balance between protecting our ecosystems and cutting trees. As an Oregonian I want to voice my strong opinion that our forest ecosystems should be protected and be a primary consideration.
