On Behalf Of: Mr Oregon OPPOSES HB 2249
Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB2249

I OPPOSE [HB 2249].

The study requested in [HB 2249] will require additional resources and thereby 'costs' to the taxpayers.

***There are 'No' Budget allocations nor Funding sources listed for the requested study.

***It boggles the mind, the study referenced and incorporated into [HB 2249] should have already been made with timely revisions.

Perhaps a 'Regime change' at 'The Bureau of Labor and Industries' is required due to lack of performance and the inability to stay current with workplace evolutions.
