To whine it may concern,

My name is Monique Bochsler and I am writing in opposition to HB3012.

I a strong believer and letting teens be more independent. But we don't even allow them to rent cars. I don't believe youth should be able to vote in matters until they are of legal age. I also have to question why there is such a push for this. The studies of teen development is known. It seems to be some alternative motivation.

I believe this a big no.
