Resources, and Water

Measure, Appointment or Topic: HB3587

I believe Oregonians owe it to ourselves and future generations to protect, preserve and enhance what we have enjoyed along our coast. Personally, it has benefitted my mental state/soul (whatever you want to call it) immeasurably my whole life. My magical restorative rocky locale on the Oregon house is Yaquina Head Lighthouse. We need to figure out ways to protect threatened treasures like these any way we can as soon as we can. Please help.
