

Submitter: Michelle Casey

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3587

Please support HB 3587 to protect Oregon's rocky habitats. These natural scapes are vital habitats to several avian species and marine species. In addition to boosting local economies through tourism of these beautiful places. I urge you to pass this bill to allow for stewardship and a grants program to protect our coastal communities. Thank you.
