

Submitter: Jaime Lockard

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

As a resident and advocate for Oregon's incredible natural resources I urge you to oppose HB 3103 which would weaken state forest protections and allow for clear cutting without regard for ecological impact. Our forests and fragile ecosystems are a unique and irreplaceable feature of our region which we should all fight to preserve.
