On Behalf Of: ICA

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2138

Please remove section 22 (1) f from the bill.

The intent of HB 2138 is to create more middle income housing in Oregon, which I support. As written, middle income housing is not required as a condition for removing a demolition review process. Allowing this demolition review process would eviscerate Irvington's hardwon architectural protections.
