

Submitter: Andy Hardwick  
On Behalf Of: Self  
Committee: Joint Committee On Transportation  
Measure, Appointment or Topic: HB3362

We do not need a tax on tires. We especially do not need a tax on tires that does not help maintain or build roads. The legislature does need to learn to live within its existing means and stop giving money away to persons, businesses, and charities that do not contribute tax dollars to the state.
