

Submitter: Chet Liebs

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2138

Please remove Section 22(1)(f) from this bill.

Increasing the housing supply is important. There are lots of places to build without cannibalizing our irreplaceable beautiful and historic buildings, neighborhoods, and places. I am thinking of many more negative adjectives to describe Section 22(1)(f) but am attempting to be civil. It needs to be deleted from the legislation.

Thank you.
