

Submitter: Kathryn Cannon

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Enough! The legislature should be tightening their belt like Oregonians are having to do; not looking for more ways to take money from its citizens. Once again you are backdooring a sales tax. The citizens of Oregon have voted down a sales tax numerous times. For once do what the voters have demanded you to do,.....vote no on this underhanded sales tax.
