Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Dear Co-Chairs Helm and Owens, and Members of the Committee, I oppose House Bill 3103 and its amendments. This bill will undue the recent progress in forest habitat protection.

Passing this bill is a return to the barbaric practice of clear cutting that has dominated Oregon for far too long. Please help protect watersheds for people, habitat and carbon storage. Who benefits from the bill? Wall Street who has vast options for wealth building. Thank you for serving in the legislature.

Sincerely,

Gail E Curtis, Lifelong Oregonian
