Measure, Appointment or Topic: HB2138

You would take all protections away from historic homes/historic districts? Who are you, acolytes of Rotten Ronny Reagan. You want to trash our beautiful neighborhoods the way he did Sacramento, CA when he was governor? Remove Section 22(1)(f) from HB2138-1. Don't, and it could lead to our organizing to remove those who vote for this bill. And I mean that in the nicest way possible. There's enough traitors in DC, we don't need them here.
