I STRONGLY OPPOSE HB 3362

This is a sales tax in violation of voters , voting down a sales tax 10 times. In addition, the hearing is in the Joint Committee on Transportation, which only gives you one chance to testify, unless Ways and Means chooses to hear testimony. This is corruption of "democracy", which Democrats speak against all the time.

Funds would be entrusted to ODOT and redistributed to mass transit and environmental programs via a new "Tire Pollution and Rail Transit Fund." Specifically, not highways, roads or freight.
