

Submitter: Jill Stiffler  
On Behalf Of:  
Committee: Joint Committee On Transportation  
Measure, Appointment or Topic: HB3362

Dear Representative Levy,

I am writing to express my opposition to HB 3362, the proposed 4% tax on tires. Seriously?! We are retired, on a fixed income. I have lived in Oregon all of my 70 years and we are seriously considering selling our home and moving to a another state. We are sick and tired of all of these random, unnecessary taxes. Taxation without representation!
