Dear Chair Marsh and Members of the House Committee on Housing and Homelessness,

My name is Mark Purzycki and I live in Depoe Bay. I join Portland: Neighbors Welcome in supporting House Bill 2138, which will positively affect Oregon's housing shortage by legalizing more housing across the state with land already available in our cities and towns and cutting red tape that prevents working families from choosing homes that allow them to live affordably in their own communities. This bill will help people live near jobs that invest in their community, create opportunities for more people who want to become homeowners, allow more people to stay in their communities as they age, and make use of vacant lots to help neighborhoods be vibrant.

Thank you,

-Mark Purzycki
